AGENDA

PURPOSE

While NAR boasts a membership of over 1 million members, the face and voice of the real estate industry before the U.S. Congress boils down to the 535 members who volunteer as Federal Political Coordinators. FPCs serve as our elite fleet of educators to Members of Congress on vital issues affecting the real estate industry, homeownership and private property rights. The FPC Roundtable is a space for FPCs to network, gain new insights and participate in exclusive training curated by the NAR Advocacy Team in Washington, D.C.
